Dear Mr. Phiefer:

Thank you for contacting my office in reference to bill S-2302, which provides for licensure of landscape professionals and registration of professional landscape businesses. As you are aware, this bill is sponsored by Senator Nicholas Scutari.

I have reviewed your letter and I will keep your points in mind if and when it comes time to vote upon this particular piece of legislation.

Again, I appreciate you taking the time to inform my staff of the records regarding this matter. If I may be of any further assistance in regard to any other matter, please do not hesitate contacting me at my legislative office.

Sincerely,

Anthony R. Bucco
