

New Jersey Landscape 2012 Has Gone Mobile!

NJLCA is pleased to announce that in addition to the Buyer's Guide, which is distributed to all attendees and exhibitors, we now have a mobile app!

With this app you can see the educational session schedule, plan your day with a personalized schedule, browse exhibitors and display the floor plan. The app is compatible with iPhones, iPads, iPod Touches and Android devices.

To get the app, choose one of the methods below:

1. Download '**Guidebook**' from the Apple App Store or the Android Marketplace
2. Visit <http://guidebook.com/getit> from your phone's browser
3. Scan the following image with your mobile phone (QR-Code reader required)

The NJLCA guide will be listed under the "download guides" section of the application.

If you are an exhibitor and are interested in being featured in the app, please contact Frank Stapleton at Frank@smeetingsgroup.com or 914-944-9225.
